Stonewood Gray Washed (Order No. 5473)

Noblewood's NEW Stonewood Teak Panels

Stonewood combines the look of stone with the warmth of wood to create a classically inspired, one-of-a-kind teakwood wall panel. The linear 3-D design is accentuated by the natural beauty and uniqueness of repurposed root wood. Each panel is handcrafted by a skilled artisan, varying in thickness from $\frac{3}{8}$ " to $\frac{7}{8}$ ", providing a stunning effect that changes with the light. And because of the 3-D nature of each panel, it serves as an excellent sound diffuser.

Noblewood's Stonewood is NEW for 2024 and available in two colors: Natural (ships 4Q 2024), and Gray Washed (available to ship TODAY). You can stain the Natural panels, as needed, to help bring your vision to life.

Diamond Natural (Order No. 5411)

Noblewood's NEW Diamond Teak Panels

Noblewood Diamond features an interesting play of complementary geometric patterns, created via the cut of each piece and its varied thickness (squares, diamonds, triangles). This clean aesthetic is accentuated by the natural beauty and uniqueness of repurposed root wood. Each panel is handcrafted by a skilled artisan, varying in thickness from $\frac{3}{8}$ " to $\frac{7}{8}$ ", providing a stunning 3-D effect. And because of the 3-D nature of each panel, it serves as an excellent sound diffuser.
